HK OPEN HOUSE

HK Laser & Systems is happy to announce that an Open House event will take place on September 1st, 2022.

This open house is intended to display our high-end laser cutting machines in person, so visitors can see first-hand just how powerful HK's machines are. HK will also include technical seminars and showcase new products as well.

Following dates are available for the HK Open House:

Thursday, Sep. 1st

Friday, Sep. 2nd

Tuesday, Sep. 6th

Wednesday, Sep. 7th

Friday, Sep. 9th

Demos included in the open house:

RS3015 - 10kW

FS4015- 6kW

Smart Tower

Technical Seminars

Contact HK Laser & Systems at 630-916-0200 or sales@hk-global.com for more on how to schedule your open house appointment.

Lunch/Dinner will be provided via catering.
